

Food baskets: Step-by-step Process

Step 1: Getting Food Supplies

From the local store or as shipment. Food supplies are then dropped at a central location/designated area, where they will be sorted.

Step 2: Basket Preparation

Using personal protective equipment (PPE), such as masks and gloves, as well as practicing social distancing.

Step 3: Basket Distribution

Driving through the community and leaving food baskets by the door.

Taken from Twitter @Ilisaqivik: Breakfast program packages are available outside of Quluaq School from 9am until 1pm. We would like to thank Ilisaqsivik staff Nellie, Kalluk and Helen, and a special thanks to this week's volunteer Karen. We are ensuring food is made available for our children during #COVID19
